Brian Meehan, Annmarie Bostick, Jeremy Bostick, Joshua Bostick, William Russell, George Anthony, Justin Shipe, Keith Wilson, Thomas Richardson, Jesse Shipe, Ken Warren, Steve Rydel, Jim Wadkins, John Blossik, Carl Force, Robert Burke

Prez Sez

The heat has arrived and the season is in full swing, although now we could use a little bit of water!

We had record numbers at our last club meeting, I would guess upwards of 55 people attended the meeting to enjoy some food and find out what's happening with the club. It's very important that we continue this trend for our July 8th meeting. We will have a brief meeting and be using the rest of the day light to begin setting up for Warbirds over Delaware. Please come give us a hand so the setup can go as smoothly as possible.

The Two Tony's IMAC event had temperatures of 97 on the Saturday and 99 on Sunday but the event was a huge success and feedback has all been very positive. We had 25 pilots compete and a fair amount of spectators braving the heat to enjoy the event. I would like to give a special thanks to all of those who helped me out! Without the following members it would not have been possible; Tim, Brad, Giovanti, Howard, Gregg, John, Brian, Nathan, and Bill. If I missed anyone I am sorry!

While I am thanking people I would like to say thanks again to Nathan for spending time welding and bracing the mower deck. If you were at the meeting you saw where it broke and later I learned it would be over \$600 for the new housing so Nathan stepped up and took care of it for us, Thanks!

I would like to remind everyone that we will be accepting donations to help out Mike Fuller's family until July 22nd. If you would like to make a donation you can do so by mailing a check to Mark McQuaide (see address at the bottom of newsletter) or by bringing a check /cash to the next meeting. All checks to be made payable to Delaware R/C so the club can write one check and keep things simple. Even \$5 from a bunch of members would go a long way.

As you can see the trees are sucking up a lot of water out of the sod and surrounding areas, we are going to try and get some more water put in the area but if you bring coolers or have extra water at the end of the day please dump it around the trees. It won't be much but at this point every little bit will help.

Lastly I will be looking for a replacement VP to fill the remainder of Mike's term. The term has 1.5 years left and your main task is to organize and run the club Picnic. Outside of that you will be my backup at meetings in case I can not be there and take care of the 50/50 draws. Several people have stepped forward but are not quite able to be at the monthly and board meetings. We will need someone who can commit to attend all meetings. You must also have been a club member for at least one year to qualify. If this is something you are considering or would like to discuss more please contact me directly.

That's all I have this time around, see you at the field!

Jake

Meeting Minutes

General Membership meeting of the Delaware R/C Club was held on Tuesday, June 3, 2008.

President Jake Rudy called to order at 7:30 pm.

Jake announced the passing of Mike Fuller - the club vice president on Monday, June 2, 2008.

Guest and new members: Jessie, Justin, Eric

Show and Tell:

Tony Albence brought an F4B2

Safety: John Kirchstein

Watch out for full scale airplanes coming over the field

Keep traffic on entrance road down to 15 mph

AMA is working with the FAA on sharing air space with full scale aircraft

Field Report: Dan Hosier

Working on site conditions

Old business:

Cutting sod

Locking gate after last person

New business:

Volunteers needed for IMAC weekend

War birds - volunteers needed for remote parking

Club members need to park at remote parking on Saturday

Vote to pay Matt Hodges to come fly at war birds was taken, members voted against paying him to come to the event.

Picnic tables should be left at the edge of the new sod and not moved

Treasurer report: Mark McQuaide

Meeting was over at 8:30 pm.

Contributions to defray Mike's expenses to Mark McQuaide

The meeting in July will be the Second Tuesday (July 8th) so that we can wrap up preparations for the Warbirds.

Mike Fuller

Michael Paul Fuller

Age 51 of Middletown, DE died on Tuesday, June 3, 2008 at his home surrounded by loving family.

Mike loved life and lived it fully. He knew his days on this earth were few but he didn't complain; he enjoyed the time given to him. Those of us who were lucky to know him will miss his sardonic humor and great friendship.

As Jake mentioned, we would like to gather contributions from members to help defray Mike's medical bills. Please send or give your donation to Mark McQuaide

Warbirds is a'Comin'

The 2008 Warbirds show promises to be better than ever! We are known around the country for this event. Please come out and help make this as successful as it has always been; check with Pete or Dave or Brian to find a job that needs doing. Let's make our guest pilots welcome and ensure that everyone has a good time
