## The Prez Sez

This month can bring some of the best flying weather of the season. So, there are no excuses to not get out and fly. The club picnic will be September 23<sup>rd</sup>. Please save the date and plan to come out to the field. The club will provide hot dogs, burgers, and drinks. We welcome anyone who would like to bring a covered dish or a dessert.

It is time for membership renewal in September. It would be great if everyone could pay their dues within the next three months so we can start the New Year off on the right foot. Just remember that if you want to fly after December 31<sup>st</sup>, your dues to our club as well as your A.M.A. membership would need to be paid up as per our agreement with the park.

Nominations for club officers will be open at the September meeting. Our club is in good shape at this point in time. All we need is a few people to come forward and run for office. It would be nice to see some new faces at the head table. New people can bring fresh ideas to the club. So, please think about it, if you have the time and talent to lead the club.

I hope to see you at the field...

Dave

## Meeting Minutes

The regular monthly General Membership Meeting of the Delaware R/C Club was held on Tuesday August 8, 2007. President **Dave Moyer** called the meeting to order at 7:35PM.

The following guests were introduced: "**Buddy**" **Scott** and **Rob Murtha**

### Show & Tell

**Jake Ruddy** displayed a e-Flight Sobre electric constructed from foam and carbon rod. The Sobre features a variable pitch prop.

**Dick Stewart** displayed a Hobby Lobby Focke Wolf D-9 electric.

### Old Business

**Dave Moyer** and **Dick Stewart** gave a brief Warbirds Over Delaware wrap up. Official stats are still pending. The event was featured in the New Journal's "Mid-State Living" section. John Stare was memorialized on Friday at Warbirds. John's wife Shelby was presented a plaque honoring John. Shelby sent a thank you card to the Club that was presented to the membership at the meeting.

**Dave Skinner** gave a wrap up on the Helis Over Delaware helicopter event. Dave has also scheduled a one-day helicopter get-together for Sunday October 14, 2007. This will be a small event on the heli section of the field. The field will not be closed to fixed-winged aircraft.

### New Business

The annual **Club Picnic** will be held on Sunday September 23<sup>rd</sup>. The Club will provide hamburgers, hot dogs, sodas, water, etc. Feel free to bring your favorite covered dish to share!

The two-year officer terms as outlined in the Club By-Laws were discussed. With the upcoming elections it may be in the Club's best interest to reduce the term to a 1-year term for each office. Additional discussion is needed.

**Skip and Phyllis Crain** will be making license plates with the Club or Warbirds Over Delaware logos. Plates can be personalized. For more info please contact Skip Crain.

**Dave Moyer** reported that the tractor is in need of major repair or will need to be replaced. A decision will need to be made at the end of this season.

### Safety

**John Kirchstein** stated that the spectator issues at Warbirds will need to be addressed.

### Upcoming Events

**John Kirchstein** announced that the Silent Knights Soaring Society (<http://www.skss.org>) will hold an electric aero-tow event the weekend of August 11-12.

### Treasurer's Report

**Dick Stewart** gave a report on the Club's current financial status.

### 50/50

This month's winner was **Rob Murtha**

### Adjournment

The meeting was adjourned at 8:15PM.

Respectfully Submitted,

Brian Pasternak, Secretary

Delaware R/C Club

## Notice:

This month's meeting will be at the pavilion and will start a half hour earlier than usual, since the school cafeteria is not yet available

## Picnic Time!

September is the time for club picnics.

The **Salem County** RC Club's pig roast is scheduled for September 16th. This is always a great show of aircraft both model and full-size.

**Delaware** RC's Picnic is on the next weekend, Sunday the 23rd. We will supply cold drinks, dogs and burgers. Please feel free to bring a favorite dish or dessert to share with your fellow members.

The next weekend, **First State** RC has their Intra-Club Picnic at the field on rte 9. It starts at 10:00 on Saturday September 29.

All these picnics are great places to enjoy the company of fellow modelers and take in some good eats while flying your favorite models, or just observing the rest of the people flying.
