November and December Meetings to be held on November 21

Club Up-Date For November and December

The club auction will be on Saturday, November 4th, 2006 at the Shue School. Doors open at 9:00A.M.

The November meeting will be held on November 21st due to the fact that the school will be closed on November 7th for Election Day. The next meeting will also be our December meeting. I have decided to combine the meeting since our November meeting is so late in the month.

We will be holding our election for Vice President and Treasurer this year. Please come out and vote. We have two good candidates for the office of Vice President. They are Jake Ruddy and Greg Schock. Dick Stewart has agreed to run for Treasurer for one more year. If someone else would like to run for either office, please have a member nominate you at the beginning of our meeting.

We are still working with the park on the

subject of making membership a requirement to fly at Lums Pond flying field.

Please make every effort to attend this meeting.

On Sunday, November 12th, we need volunteers to help wrap the pavilion and clean the area. The time to be at the field is 10 A.M. I hope to see you there.

See you at the auction.

Dave

Stan Michalski displayed an Aero Subaru electric, which he purchased from Hobby Lobby in a “Crash Sale” for \$42.00.

Stan Michalski gave a “wrap up” of our Club Picnic which was held in September. Although the weather threatened all day it held off until the very end. Thanks to everyone who assisted.

New Business

in Newark, Delaware. Volunteers are needed at 8AM for setup and registration. Raffle prizes have been acquired.

Tony Albence and **John Kirchstein** have designed a new logo for our Club, which features a warbird. The new logo was presented to the membership at the October meeting and will be voted on by the membership at the November General Membership Meeting.

The William Penn High School will be closed on the 1st Tuesday in November because of Election Day. The November General Membership meeting of the Club will be rescheduled. The date will be announced.

Additional nominations are being sought. The slate will stay open for additional nominations until closed at the November General Membership meeting. At that time, Election of Officers will take place.

If any Club member is interested in running for these offices please contact a Board member with your intentions. Help support **your** Club!

Dave Moyer, Dick Stewart and John Kirchstein have met with the Park to discuss the Club's position at the Park. For more info, please attend a General Membership Meeting.

Dave Moyer proposed a **“Lifetime Achievement Award”** to be presented to Club members who have contributed to the betterment of the Club and Model Aviation. This will be an on-going program where Club members can nominate other members for this award. Two applicants per year will be considered.

The Club will host **the WRAM Show Bus Trip** once again. WRAM Show will be on February 24, 2007. Additional info will be available at the November Club meeting.

Club Logo Change

The present logo features a rather dated aerobatic airplane that no longer represents the direction of the Club. The new logo has a Warbird theme that more closely represents the Club.

This is a By-Laws change and will be voted on at the Nov/Dec meeting.
