July!

It's time for the big one!

The rain has hopefully settled into a normal mode and it looks like we have good weather coming for Warbirds. Brian tells us that pre-registration is ahead of last year by a goodly amount and more vendors than before have signed on.

This means that we will need all the help we can get.

Dick Stewart is heading up the off site parking for Saturday, the more people that volunteer for that duty, the less time anyone has to spend at the campground.

On Saturday we will dedicate a plaque in memory of Carl Cantera.

The AMA will be represented in force at this year's event; Jim Cherry, Greg Hahn, Dave Mathewson and Bliss Teague all plan to attend. We will have an AMA booth for people to get to know the officers and for the public to learn about the organization.

Come out, see the best Warbirds show in the Country; help to make it better. Let's make everyone feel welcome!

See Ya,

John

New Delaware R/C Website

Our Club now has a new website design. Please check it out and report any problems. Depending on your browsers settings, you may have to hit your Refresh button to see the updated pages. The main objective of this new site was to provide as much current information on a single page without have to navigate the site to check updated information. The Warbirds Pilot Note page still has the old look. This will be edited shortly. Things on the list to do: I want to have the header logo change with each page refresh. For this, I need high resolution digital images that I can crop and edit. If you have a photo that you would like to submit, please feel free to email it to me at brianpasternak2001@yahoo.com. Brian
