AMA #197

ABOUT THIS ISSUE - by Scott McClurg

It was a little over four years ago that Roger was asked to take over as editor of the newsletter. Our previous editor had done a good job, but was very busy and could only able to find time to put out a few issues a year. We sure know how that is.

Roger enlisted my help. We were both good photographers, but I had the design software and experience. So, he would do most of the writting, I'd do most of the photography and I'd package it all up. And we decided it would be fun to try to expand it and make it more of a magazine that just "here's what hapened this month." Roger gave me 6 months max before I got bored and tquit.

So, here we are a little over 4 years later, we're both still going strong and having lots of fun. We did miss a few issues here and there. Sometimes the weather was so bad no one could fly, so there wasn't anything to photograph or write about. Sometimes I was too sick to put one together. But we've only missed a few.

So, I thought about celebrating how many we'd put out. It started with the idea of showing thumbnails of all the covers we've done. 4x4 looked good, so we had to do it on a multiple of 16. This was around issue 45. So, 48 made sense. And once I got started with the idea of a retrospective issue, well, it just kept growing.

Take a look through and you may just find some events and faces you'd forgotten about.

You can download all the old issues of the newsletter from the club website.

Glitch Busters

October 2011

FROM THE EDITORS
Terry Blanch has decided to hand the reins of the club newsletter over to Roger and Scott McCaughey. Roger will act as Editor in Chief and Scott will provide photos, graphic design, etc. We'd like to thank Terry for all the hard work he's put into the newsletter. We'd also like to encourage everyone in the club to contribute to the newsletter. If you have photos, stories, technical tips, or reports on R/C events, please send them to us. We'd love to include them.

December 2011

FROM THE EDITOR
You may be asking "What happened to the November newsletter?" Well your intrepid Newsletter staff got it wrong. Last month's newsletter that we labeled October was in fact the November issue. Sorry for any mix up. We think we have it straight now.

PREZ SEZ

I want to wish you all a happy, healthy and prosperous New Year.

Don't forget the Freeze Fly – New Year's Day - bring something to share and something to fly, and hope the weather cycle stays warm.

Our gourmet chef, Greg Schock promises the usual burgers and dogs and (probably) soup or stew.

As the year winds down I'm proud to be linked to the club that hosts Helis over Delaware and Warbirds over Delaware. Wherever you go we are recognized by these events.

The Flea Market on Jan 16th still has some tables as this is written. Contact [Mark Weiss](#) or [Greg Schock](#) to reserve yours.

At the last meeting we were told about the coming Run/Walk for Madyson sponsored by Paul Letourneau. Paul is a perennial participant at WOD His daughter has been fighting a rare form of cancer and the event is to “pay it forward” to the agencies that helped his family through this crisis. The members voted to donate \$300 to the event and some want to make individual contributions. I will be in contact with Paul to make this possible.

FROM THE EDITOR'S DESK

I don't know if it's the warm weather, the spirit of the season, a combination of both, or something else, but the trips to the field this past month have been most enjoyable. People have been extra courteous to one another. I've been at the field for most of a day and watched pilots wait for the plane in the air to land before flying themselves. A whole day where rarely were more than two airplanes in the air at one time, yet people were constantly flying.

Today we had as many as 7 airplanes in the air at once. They varied from micro EDF jets to large

gassers. Yet no one had any issues. Small planes did their best to stay out of the way of the big planes and vice versa. Everyone flew the same pattern. People left the pattern to do aerobatics at altitude at the end of the field then rejoined the pattern. There even was a foamie doing 3D most of the afternoon, but it usually managed to stay out of the way of planes making passes down the field.

At one point 5 of the 7 planes were in the same 20 foot section of the runway, yet none of them were in the way of another. It was a pleasure to watch. If you have been at the field this month, I'm sure you noticed the relaxed attitude. To everyone who has helped make the past month so much fun to be at the field, I say thank you and keep it up.

FOUND: WING BAGS

No one has laid claim to the wing bags I found at the field a couple months ago. They look new. Doesn't anyone know who the owner is? If you own the bags or think you know who does, send me an email: roger@mcclurgstudios.com

DECEMBER MEETING MINUTES

John Kirchstein called the meeting to order at 07:01 P.M.

Treasurer Report presented by PJ McClurg
November meeting minutes read by Rick Scott
No Safety report for this month.
Membership Report. No report this month

Old Business:

Swap meet:

Mark Weiss discussed next months, January 16th, Swap meet. It will be held at the Newark Senior Center, from 08:30 A.M. till 1:00 PM. Set Up should begin approximately 7:45 A.M. We are looking for volunteers to assist on Friday.

We have the 3 meeting areas as well as the foyer. There will be a \$5.00 entrance fee to enter, this will also include a raffle ticket. The stage area will be available for a small auction, Tables are filling up. Scouts will serve food again this year. Email Mark Weiss for tables and volunteer.

Night Flying:

An agreement to go into effect after the first of the year. Electric and Quiet airplanes will have extended morning and evening hours

Summit Aviation:

The summit agreement is still in limbo. John is monitoring this and not forcing the issue due to recent FAA announcements.

Porta-potties:

New porta-potties have arrived and are in place at the field.

Show-N-Tell:

Rob Pleasanton: 42% Aerotech Extra 300.

Jim Schlapfer: I have Futaba Radio Equipment for sale. Converted to 2.4 with multi RX's

New Business:

John Kirchstein announced that Paul LeTourneau's daughter is doing exceptionally well. Paul is organizing a run to benefit MACC Fund Center and Ronald McDonald House. Club would like to make a contribution to this activity. Club member motioned that the club make this donation, motion was seconded and approved by vote. John also asked that club members visit the link he will post on our webpage.

John Reviewed the 2016 event dates:

Freeze Fly - January 1, 2016

Warbirds Over Delaware - July 6 through 9th

Helis over Delaware - July 29 through 31st

Open House/ Club Picnic - August 13th (same as National Aviation Day)

IMAC - event date still not assigned

Tony Albence discussed availability of club jackets

Raffle:

50/50 was won by Ed McLain

2016 Calendar was won by Rick Scott

Meeting adjourned 8:04 P.M.

MEET MADYSON...

Our daughter Madyson LeTourneau was diagnosed with Rhabdomyosarcoma, a rare form of soft tissue cancer, on May 18, 2015. She was 17 months old. It was the most terrifying time of our lives. Since then she will have undergone 42 weeks of chemotherapy, a major surgery and 5 weeks of radiation. Through it all she has done amazingly well and we owe a lot of that to Children's Hospital of Wisconsin and the MACC Fund Center. We feel so fortunate to have such a wonderful facility so close to home and want to help pay it forward for other families facing a cancer diagnosis. This run is to celebrate Madyson's fighting spirit and to help continue the efforts of the MACC Fund Center and the Ronald McDonald House, for without them we wouldn't be where we are! No child or family can or should have to fight this battle alone!

All proceeds go to the Ronald McDonald House & MACC Fund Center.
