AMA #197

FROM THE EDITOR'S SON'S DESK

This month's issue is rather light. Dad had open heart surgery at the end of January and we've all been focused on his recovery. There just hasn't been an opportunity to go to the field, take pictures, or write articles. Fortunately, Dad's recovering well.

Membership Renewals

There's been a lot of discussion about membership renewal issues on the Yahoo Groups email group. You'll be happy to hear that during last month's club meeting, it was decided to reinstate the policy of mailing stickers to all paying members. You don't have to request them or provide a self-addressed envelope.

This isn't a new policy. It was instituted three years ago by the Board when handing them out at the field and club meetings was found to be too problematic. This policy was followed by membership coordinator before PJ became Treasurer and was continued by PJ. Now, our current Treasurer is following it as well. We've already received our stickers. If you haven't received yours, please reach out to Vic. vpugarelli@verizon.net

Also, regardless of your reasons, please do not reply to a Yahoo Groups email with personal information - especially financial information. This information will go to the entire group (450 people, most of whom are not club members) and your financial security may be at risk.
