## The Prez Sez

I want to wish you all a happy and healthy New Year!

Don't forget the Freeze Fly on New Years Day. We'll supply hot and cold drinks, dogs and burgers etc. Feel free to bring a favorite dish or dessert.

As we start the New Year we seem to be in pretty good shape; Warbirds applications are already starting. Mark will be heading up an IMAC meet again.

Bill Bouchard reports that there wasn't enough interest shown to justify a bus trip to WRAM, but he's looking into the possibility of a passenger van rental or car pool; get in touch with him if you are interested.

There was a small incident with a disgruntled hunter this month in anticipation of the antler less deer season. Remember that they have the right and privilege to hunt the property as long as they follow the rules. Don't do anything to antagonize them and don't be confrontational. Leave the settlement of disputes to the park authorities.

Silent Knights club has been flying at Holy Angels gymnasium on Saturday nights, and I had asked if we could invite more people to fly. Unfortunately, the gymnasium was overwhelmed by 37 flyers. Sadly the invitation to other than SKSS members has had to be withdrawn in order to manage the mayhem. Anyone who has a lead for another place to fly indoors should contact me, maybe we can get something bigger. Tony Nunez, who arranged for the use of Holy Angels regrets the withdrawal of the invitation, but if you were there you would understand.
