Carl Cantera

Warbirds Over Delaware 2008

We will miss you Carl...

On Sunday April 5, 2009 the Delaware R/C Club lost one of its founding members. Carl Cantera passed away peacefully at home. We have lost a true friend and great modeler... one who has given so much of himself to the club. As details and arrangements become available, we will pass them on via the Delaware R/C Group page on Yahoo.

Please join with us in expressing our most sincere condolences to Betty and the rest of the Cantera family.

Get those winter projects ready for warm weather!

The Prez Sez

Well, the weather wasn't good enough last month for the school to stay open, so we missed a meeting date. This is one of the reasons I was looking for a new meeting room.

Preston LeSage is getting right to work as the new Safety Officer. He's working on the rule pamphlet that the state requires for our governance of the field.

I'm working on a publicity pamphlet to invite new members into the club. I plan to have it done for the class I'm doing at the Senior Center on the 20th.

Dan Hosier will have the field maintenance chemicals for our use on the 29th of March. Helping hands are always appreciated.

The park entrance fee is now in place. If you don't have an annual or lifetime pass you MUST get a day pass at the entrance to the field. Our agreement with the park states that we will buy annual passes. If you fly 10 times a season, that saves you money. If you don't purchase a pass the ranger will ticket you. This year they will not play the game where you get a pass if the ranger shows up; no pass= \$31.00 ticket.

John

Change Is Good...

Over the next several months we will be enhancing the Delaware R/C Club's 'Glitch Busters' publication. There will be a new look and feel to the publication in an effort to provide a more enjoyable experience to our readers. Please stay tuned...

Learn about Radio Controlled Flight

Members of the Delaware RC Club will exhibit the variety of ways to enjoy the hobby. Hands-on demonstrations will include flight simulators and micro aircraft. You will learn the requirements for electric / fuel powered airplanes and helicopters, as well as sailplanes. Suggested starting points for getting into the hobby and local clubs and flying sites will be reviewed. Membership requirements for local clubs will be discussed along with the benefits of membership in the Academy of Model Aeronautics. Date of program will be Monday, April 20 @ 1:00pm at the Newark Senior Center.

Park Passes for 2009 are payable online

The State of Delaware is now providing Park pass purchases online (there is a \$2 handling fee). You can go to www.destateparks.com and follow the links or try to cut and paste the following URL in your browser:

<https://egov.dnrec.state.de.us/egovpublic/dnrec/disp?doc=shoppingcart&op=catalog&channel=public&CatalogType=ParksAndRecreationPasses>

Delaware RC Dues for 2009 are payable online

We have setup the website and our membership application so that you may now download the application, fill it out on-screen, mail it to Mark and pay the dues by PayPal. Presently, you must go to PayPal and send the money to the dues address: dues@delawarerc.org
